Fitxa tècnica motxilles BIZ 4.0

BIZ 4.0

 Designed & Developed in Italy **3** Year warranty

La nuova collezione business BIZ 4.0 vi stupirà: non solo per la cura dei dettagli, ma anche per il design minimalista e nello stesso tempo moderno e ricercato.

La collezione, molto completa, è formata da un trolley cabina e un trolley pilota, entrambi espandibili, con tasca porta pc e porta usb per avere sempre i vostri dispositivi carichi, anche in viaggio. Molto originale il portabiti a misura di trolley cabina, pratico e utile per avere tutto in ordine durante i vostri spostamenti lavorativi. Completano la collezione tre zaini di diverse dimensioni, di cui uno con apertura superiore. La borsa a due manici e a due compartimenti, anch'essa espandibile per una maggiore capienza e la cartella con patta, dal design più classico, sono dotate di una utilissima fascia per l'aggancio al trolley e possono contenere sia computer che ipad. Completa la linea il portabiti a misura di borsa cabina, il tutto realizzato rigorosamente in nero. La collezione Biz 4.0 rappresenta l'evoluzione più sofisticata della collezione precedente ed è stata pensata e realizzata esplicitamente per coloro che viaggiano per lavoro e desiderano avere tutti i propri oggetti e indumenti a portata di mano e in perfetto ordine.

The new BIZ 4.0 business collection will amaze you: not only for the attention to details, but also for its minimalist and at the same time modern and refined design.

The collection, very complete, consists of a cabin trolley and a pilot trolley, both expandable, with pc pocket and usb port to always have your devices charged, even when travelling. The cabin trolley-sized garment bag is very original, practical and useful to keep everything in order during your business trips. The collection is completed by three backpacks of different sizes, one of which with a top opening. The two handles briefcase has two compartments and his expandable for greater capacity, the briefcase with a flap has a more classic design, both are equipped with a very useful sleeve for attachment to the trolley, they both can contain a laptop and an ipad. The range is completed by a cabin garment bag, all items are in black color. The Biz 4.0 collection represents the more sophisticated evolution of the previous collection, Biz 2.0 and was conceived for those who travel for work and who want to have all their objects and clothing close at hand in perfect order.
